

**ARTICLE TITLE:**

**BEST FIVE COUNTRIES TO VISIT IN 2020**

Nature has its own delightfulness which attracts and captivates every other human being through its unconditional beauty and loveliness. Every year in the vacations, many people all around the world prefer to travel and explore the best countries to visit and they enjoy their free time by visiting different countries. These countries seem to be perfect for vacations due to their natural beauty and charm, providing stress relief and soothing effect to the travelers.

Discussing about the best countries to visit, have a look on the recommendations of different Travel & Tourism Authorities of the world. These include the countries having highly pleasurable landscapes that make them the best countries to visit.

**1) Bhutan:**

Bhutan is an Asian country popularly known as the Land of Thunder Dragon. It is one of the best countries to visit due to its flawless landscapes and exceptionally build charterhouses. The eye-catching view of the beautiful Himalayan Mountain ranges can make one to fall in love with it. Bhutan is the only country in the world which is carbon free and hopefully it will become the first completely organic country of the world in the upcoming time.

**2) England:**

England is considered as a highly appealing destination for excursions and trips. The two most highlighted outlooks. The one of them is its “timeless treasures” that include

cathedrals, historic castles and adorable and vivid countryside. The second one is its coastline which is plausible and pleasurable in every aspect. The England Coast Path is aiming to develop various new sections and once it will be completed up till 3,000 miles, the entire of the country's coastline will be allowed admittance for the very first time.

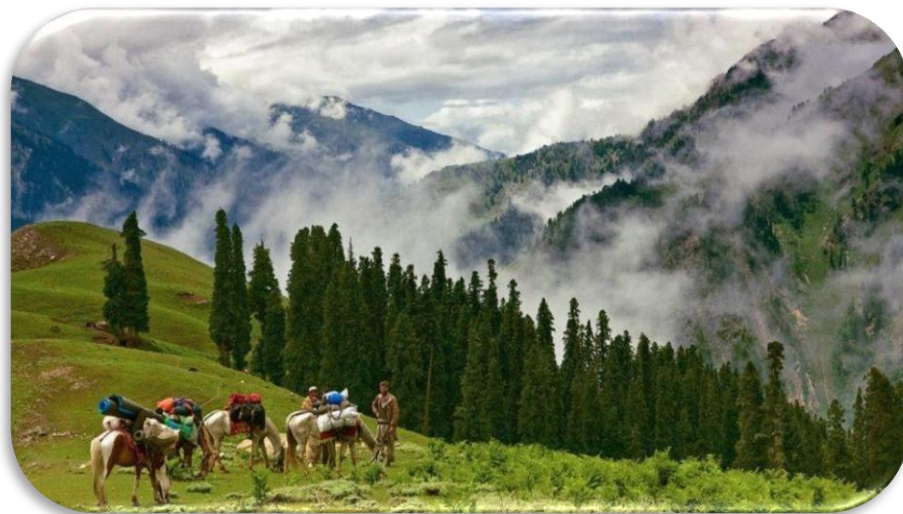

### 3) Italy:

Italy, The one of the best countries to visit all around the world, is another leading country regarding its extraordinary landscapes. The tourists and travelers are attracted by its architecture, culture and aesthetic gems. The elegant beaches, steaming hot springs, glorious green countryside and even many other uncountable sceneries and sensations can easily encourage a person to think about spending his lifetime exploring Italy. This particular country will convincingly never make anyone tired of scouting. One can slake his sense of adventure with these wonderful and astonishing landscapes typical of Italy.

#### **4) Pakistan:**

When discussing about the actual meaning of beauty, Pakistan is the only country of the world that could fill up this space. The countless ravishing and heavenly landscapes of the country and the praiseworthy hospitality granted to the tourists who approach Pakistan for their vacation trips, makes it the one of the best countries to visit. The mountain ranges of the northern areas and the snowy sensations of Swat districts are surely enough to take someone's breath away. The fascinating greenery of Kaghan, Naran and Hunza Valleys and the exceptional waterfalls of Neelum Valley and Gorakh Hill Station add to the beauty of Pakistan. Different cities of Pakistan have historical buildings and architectures including Minar-e-Pakistan in Lahore, The Khyber Pass in Peshawar, Moen-jo-Daro in Sindh and Badshahi Mosque in Lahore. According to the US Travel Magazine, Pakistan is ranked as the top most country to be visited for vacations and tourism. Without any doubt, Pakistan has a perfect mix and match of the alluring landscapes and architectures in addition to the pleasant climate and environment.

#### **5) Canada:**

Canada is another country which is rich in its amazing and glorious landscapes. The world's largest coastline is of the country none other than Canada. It has an extremely overwhelming combination of a wide range of catchy sceneries and exposures. These sceneries and exposures sum up this country to include in the list of best countries to visit. The Rocky Mountains, parklands and prairies, coasts, valleys and arctic islands throw a salubrious and charming sensation to the travelers. Although, Canada is

somewhat expensive for travelling and enjoying purpose, but a lot of crowd is seen throughout a year who pay a visit to this remarkable state.
