

PRODUCT DESCRIPTION

Clarks Women's May Marigold Slip-On Loafer

May Marigold Slip-On Loafer, an amazing foot-wear which the Clarks Shoe Company has originated was first seen in the marketplace in the end of the year 2012. The product's model number is 26062909, a highly comfortable foot-wear that a woman can wear anytime or anywhere. The loafer design is completely adorable and the material of the product is the one and the only demand of every person i.e. Pure Leather. This Slip-On Loafer has some nice dimensions that are of 12 x 4 x 8 inches. Moreover, it is light-weighted having the weight of approximately 10 ounces only. The foot-bed is soothing and comfortable made with a cushion type material that is Ortholite. This imported foot-wear for women has the heel height of 2 inches and very strong gripped sole. The May Marigold Slip-On Loafer by Clarks is available in the multiple online marketplaces in variable sizes and reasonable rates.

Why to like it:

- The product comes in two shiny colors i.e. Black and Brown.

- The May Marigold Slip-On Loafer almost suits on all kinds of clothes like skirts, jeans, pants, etc.
- One of the best thing about the product is that it has a very nice grip which provokes to slip.

Our Verdict:

The product is highly recommended because of its comfort, fashionable design and a muscular grip. You can wear it and go anywhere, for outing, for shopping, in your workplace as well as in the parties. Go and get it now!
