

## PRODUCT DESCRIPTION

### Clarks Women's Everlay Heidi Slip-On Loafer

Clarks Footwear Company produces what the people love to wear. The company manufactures another exceptional footwear for women given a title as “Clarks Women's Everlay Heidi Slip-On Loafer”. The footwear is fabricated with 100% pure leather and is available in the in 4 alluring colors. The best thing about the footwear is that it has a weight of just 9.6 ounces. In addition, the most demanding quality of a footwear is its comfort, and Clarks Everlay Heidi Slip-On Loafer equally satisfies this need. The cushion soft comfort and Ortholite Foot-bed are the things that make this product loveable and worthy. The heel height is of 1.37 inches approx. whereas the product dimensions are 10 x 15 x 6 inches. The loafer is completely slip-free because of its rubber sole and a favorable texture to attain firm grip. Moreover, this rubber sole is flexible too which makes the loafer more comfortable to wear.

#### Why we like it:

- The Clarks Women's Everlay Heidi Slip-On Loafer is a unique footwear for women having a pointed edge design.
- The light weight of this product makes can make you adore it more.

- The softness and comfort is the best thing of this product that one can have in much low and affordable price.

**Our Verdict:**

The Clark's Loafer is best for the women who work in organizations as the look and design of the loafer suits formal dressing. They can surely wear the pair in any kind of outing or a long journey as well.
