Rockport Cobb Hill Women's Paulette Flat

Not every woman needs a heeled footwear, some of them prefer to wear the flat bottom too. Rockport Footwear Company comes up with a flat bottom shoe for women giving it a name Cobb Hill Women's Paulette Flat. The product manufactured with pure leather is extremely adorable regarding its look as well as soothing comfort. The decoration on the front surface of leather consists of lines and stitches that make the shoe look attractive. Even having a flat sole, the shoe's grip is much extensive due to the texture and design of the sole. The product was released in the marketplace for the first time in 2013 and still it is in-demand because of its quality and solace. It is very light in weight having that of 7 Ounces. Moreover, the product dimensions are found to be 13 x 8.4 x 4.4 inches. To increase its beauty, there is a metal button situated on the leather surface.

Why we like it:

- The imported leather material with a fancy design makes it greatly striking.
- Highly affordable price in the marketplace.
- The shoe is all-purpose that means, you can wear it in almost any kind of outing for example, in the office, attending parties, etc.
- The shoe is available in 7 colors, thus has a variety for its customers to match their suit.

Our Verdict:

We recommend the Rockport Cobb Hill Women's Paulette Flat as it is as much light and comfortable that one could ever imagine. Buy it and wear it anywhere even for the whole day.
